How to activate the SMS Video Invite feature

Customers already activated for the ManageMyHealth Video Consultation service can self-activate the SMS Video Invite feature.

| | |
|--|--|
| <p>a) Sign In to ManageMyHealth™ portal as the ManageMyHealth system administrator. If you are not sure who this is please ask your Practice Manager.</p> <p>b) Under the Systems Menu > Click on Video Consultation Settings</p> |  |
|--|--|

- You will now see three tabs. Click on the third tab – ‘**SMS Video Invite Settings**’

- Click on ‘**Edit**’ at the bottom of the page.
- Please read the **terms and conditions**. If you accept the **terms and conditions** for the SMS service charges, select ‘**Yes**’ and then click on the ‘**Save**’ button to enable the ‘**SMS Video Invite**’ feature for the practice.

| | | |
|--------------------------|--|--|
| Enable SMS Video Invite: | <input checked="" type="radio"/> Yes <input type="radio"/> No | <p>Terms and Conditions:</p> <ol style="list-style-type: none">1. The SMS Video Invite feature is subject to the ManageMyHealth Video Consultation Terms and Conditions.2. The SMS Video Invite feature incurs a \$0.10 per SMS (excl. GST) service charge for each SMS sent when using SMS Video Invite feature or enabling SMS reminders for video appointments. These service charges will be invoiced monthly by ManageMyHealth Limited.3. By selecting “Yes” and choosing to enable the SMS Video Invite feature, you acknowledge and accept the service charges for sending SMS on behalf of your practice. |
